### OUR OFFER

The Axivas Group is an international operating and fast-growing company and stands for competent business customer service in sales, service and support with four national and six international locations.

It requires a lot of tact and experience to establish business contacts, to develop effective sales concepts and marketing strategies to pave the way to success. Companies such as SAP, IBM, Microsoft, ABB place their trust in Axivas.

In addition to attractive working conditions and a state of the art infrastructure, we offer you the opportunity to continuous advancement in a dynamic and innovative company.

A positive working environment with a strong team spirit, great colleagues, flat hierarchies and short decision-making routes.

After the initial on the job training phase and continuous trainings, you will have the opportunity to take on a versatile and responsible job position.

If we have awakened your interest and you are open to new professional challenges, we would be delighted to receive an informative application from you.
