- ▶ Independent mode of operation

OUR OFFER

The Axivas Group is an internationally operating and rapidly growing company and stands for competent business customer support in sales, service and support.

It takes a great deal of tact and experience to establish business contacts, develop effective sales concepts and lead sales strategies to success. Companies such as SAP, IBM, Microsoft and ABB place their trust in Axivas.

Challenging, versatile and responsible tasks with plenty of scope for creativity and excellent development opportunities.

A positive working environment with strong team spirit, great colleagues, flat hierarchies and short decision-making processes.

After the initial training phase and continuous training, you will be given the opportunity to take on a versatile and responsible job.
